POSTING NO.: ESSF 1579

AFFILIATION: CSU52

**The Edmonton Space & Science Foundation  
Instructor – Science Education  
Temporary Part-Time (until March 31, 2024)  
Up to 2 positions**

*The TELUS World of Science – Edmonton’s (TWOSE) mission is to: Ignite curiosity. Inspire discovery. Celebrate science. Change lives. Located in Treaty Six Territory, we are the destination to engage Albertans’ hearts and minds in science.*

*TWOSE is committed to diversity, equity, and inclusion. We encourage Indigenous peoples, persons living with disability, sexual and gender minorities, women and members of all minority groups to apply. All qualified candidates are encouraged to apply.*

**POSITION SUMMARY:**

As an Instructor, this individual must proactively engage, inform and stimulate students & teachers by providing knowledgeable instruction and explanation of procedures and observed results in activities. An Instructor possesses thorough knowledge of all curriculum-based school science education programs, and the necessary skills and knowledge to operate all specialty equipment used in the presentation of programs. Presentations may occur on-site, at client locations or via technology.

Instructors are involved with providing input into the assessment of overall program effectiveness and future program development.

**DUTIES AND RESPONSIBILITIES:**

In conjunction with and under the direction of the Director of Education and the Manager of Education Experience, the incumbent will be responsible for the following:

- Present curriculum based school science education programs to school groups, students and teacher in-service sessions.
- Respond in a knowledgeable manner to requests for information on the TELUS World of Science - Edmonton, our programs and science related questions.
- Ensure all materials, supplies and equipment is available, prepared, in working condition and in the appropriate areas according to organization standards.
- Liaise with group leaders and teachers to promote on-going relationships.
- Participate in the assessment, evaluation and development of science education programs.
- Ensure the safety of all program participants.
- Other related duties as required.
