

Grounds and Maintenance - Technical Support **\$14.25/hr**

Are you someone who takes pride in their surroundings and creating a positive visitor impression? Do you enjoy working independently and as part of a team in a fast-paced environment? If so, Science North, Northern Ontario's most popular tourist attraction, is looking for you to join its Facility Operations team.

Technical Support staff provide labour duties and general support in all areas of Facility Operations. Responsibilities include grounds keeping, snow removal, sweeping, removal of refuse, cleaning, organizing and maintaining storage areas, basic repairs to equipment and moving, delivering, loading and unloading equipment and supplies, and assisting with special functions set ups. The successful candidate will have general labour experience, the ability to do heavy physical work including lifting, bending and extended periods of walking and standing as well as familiarity with basic tools and safety protocols. This is a full-time weekday and weekend rotation position. Evening availability is required.

An early application is your best opportunity for consideration. Interested applicants are asked to apply online at <https://www.sciencenorth.ca/careers>. Science North is committed to an inclusive workplace and invites applications from all qualified individuals to join our diverse team. Accommodations are available upon request in all aspects of Science North's selection process. We thank all interested candidates; only those selected for interviews will be contacted.
