

## **Our Climate Quest – Science Communicator May 2022 – 1 year contract with opportunity for extension**

Do you want to travel cross-country **ALL** accommodations paid? Are you passionate about the environment and climate action? Join Science North and be a part of change! We want **YOU** to take our newest exhibit onto the road and across Canada with a team of other science communicators.

This is an exciting opportunity to take in everything that Canada has to offer, while delivering quality, educational and informal science experiences to audiences across the country. The Our Climate Quest travelling exhibition engages youth through real stories of current climate action initiatives, as well as interactives that investigate personal aspects of climate change. Visitors are introduced to the concept of climate action and our current understanding of climate change through observations, historical data, and Indigenous knowledge.

Qualified applicants from anywhere in Ontario are encouraged to apply.

### **What exactly will you do in this one-of-a-kind role?**

- Learn about climate change and the role we each play to help Canada achieve its goal of net-zero greenhouse gas emissions by 2050.
- Drive the travelling exhibit in a 26ft box truck (training provided) to predetermined host locations across Canada, install the exhibit and tear down the exhibit once it's ready to move on.
- Work out of host locations, engaging visitors with hands-on science experiences.
- Champion and promote the Our Climate Quest travelling exhibit.
- Troubleshoot day-to-day technical issues that may arise with the exhibit (training provided).
- Help build and maintain strong working relationships with host locations

### **Qualifications:**

- Exceptional communication and presentation skills
- Strong organizational and interpersonal skills
- Ability to work independently
- Excellent time management skills and superior aptitude for problem solving
- Fluency in French is an asset
- Post-secondary education in related field an asset

### **Compensation:**

- \$19.67 - \$22.58 per hour
- Accommodations paid
- Daily meal per diems
- Extended travel stipends

This position will require travel across Canada to rural, remote and urban communities along with a team, and will involve weekend work. A valid G class driver's license reflecting a 3-year safe driving record is required. This is a full-time, contract opportunity to May 2023 with opportunity for extension.

An early application represents your best opportunity for consideration. Science North is committed to an inclusive workplace and invites applications from all qualified individuals to join our diverse team. Accommodations are available upon request in all aspects of Science North's selection process. We thank all interested candidates; only those selected for interviews will be contacted.
