

**STEM Specialist**  
*Vacancies in Sudbury & Sault Ste. Marie*  
*Contracts with varying lengths*  
**\$47,300 annual salary**

Are you passionate about STEM education? Does teaching and learning excite you? If so, we would like to hear from you! Science North is currently recruiting STEM Specialists to create teaching and learning resources and programs for Ontario elementary students and teachers.

The STEM Education Specialist is a key member of the Education and Northern Programs team, developing, delivering and supporting Science Technology Engineering and Math education programs and initiatives that reach elementary school students and teachers. This role will focus on the development and delivery of teacher resources, as well as the planning and delivery of these programs throughout Northern Ontario. In this exciting role you will work with classroom teachers to actively communicate and promote Science North programs and deliver quality, educational and informal learning experiences. Successful candidates will have experience working in STEM with elementary students as well as a keen interest and proficiency in creating experiential learning opportunities for elementary students. Bringing STEM to life in the classroom with hands-on, inquiry-based lessons will become part of your everyday! Qualified candidates will have experience in program development and delivery along with a formal background in science, education and/or related STEM fields. This position also requires excellent verbal and written communication skills in English (and French for some vacancies), strong organizational and interpersonal skills, and the ability to work in a fast-paced environment managing multiple priorities. Some positions may require a willingness to travel in Northern Ontario (G license and clean driving record for the past 3 years required). We invite applications from individuals of Indigenous heritage.

If you have any questions or need more information about these exciting full-time opportunities please don't hesitate to reach out to us at [careers@sciencenorth.ca](mailto:careers@sciencenorth.ca).

Apply online at <http://sciencenorth.ca/careers>. An early application represents your best opportunity for success. Science North is committed to an inclusive workplace and invites applications from all qualified individuals to join our diverse team. Accommodations are available upon request in all aspects of Science North's selection process. We thank all interested candidates; only those selected for interviews will be contacted.
