

**Staff Scientist – Thunder Bay
\$25.99 per hour**

Science North is looking to recruit a Staff Scientist to join the Thunder Bay team for a 6-month period (with possibility of extension) to support the Northwest team. The Staff Scientist is a key member of the Education and Northern Programs team, leading and supporting programs and initiatives out of our Thunder Bay satellite office. The Staff Scientist will focus on the development and delivery of outreach programs in Northwestern Ontario, delivering science experiences in schools, at festivals and fairs, and in First Nations communities. The successful candidate will work with children and a variety of audiences, actively communicate and promote Science North programs and deliver quality, educational and informal science experiences both in Thunder Bay and on the road. Successful candidates will have experience working with children and a variety of audiences, experience in program development and delivery and will be science focused with a formal background and/or equivalent experience in science and/or related field. This position requires excellent verbal and written communication skills, strong organizational and interpersonal skills, a willingness to travel and the ability to work in a fast-paced environment managing multiple priorities. The position also requires a current (less than 3 months) criminal background check and a valid driver's licence reflecting a 3-year safe driving record.

Apply online at <http://sciencenorth.ca/careers>. An early application represents your best opportunity for consideration. Science North is committed to an inclusive workplace and invites applications from all qualified individuals to join our diverse team. Accommodations are available upon request in all aspects of Science North's selection process. We thank all interested candidates; only those selected for interviews will be contacted.
