

Summer Camp Science Demonstrators North Bay/Sault Ste. Marie/Sudbury \$15/hr

Are you looking for summer employment? Would you like to do something very neat and interesting? How does delivering hands-on science experiences sound? Do you enjoy working with children and want to gain valuable skills while working for a world-renowned science centre? If so, join the Science North team, Northern Ontario's science centre and most popular tourist attraction. Become part of our amazing family and make friendships that will last a lifetime! You don't need to have a science background – just love doing cool things and learning.

Camp Science Demonstrators deliver quality, safe, fun, and entertaining science camp experiences to children (aged 4-14) across Northeastern Ontario from late spring to late August. Camp Staff can develop their communication and presentation skills with both adults and children, child management skills, organizational skills, and time management skills.

Interested candidates must have an interest in learning, experience working with children, presentation skills and outstanding communication abilities. Some positions may require fluency in both English and French. Travel may be required (accommodations, weekly travel bonus and a meal per diem covered by Science North). Positions are based in a variety of cities including Sudbury, Sault Ste. Marie, or North Bay.

Successful candidates must be prepared to submit a current (less than 3 months old at date of submission) Police Records Check. Valid G class driver's license is considered an asset.

Apply online at <http://sciencenorth.ca/careers>. An early application represents your best opportunity for consideration. Science North is committed to an inclusive workplace and invites applications from all qualified individuals to join our diverse team. Accommodations are available upon request in all aspects of Science North's selection process. We thank all interested candidates; only those selected for interviews will be contacted.
